

VOTED READERS' CHOICE AWARD WINNER – FIRST RUNNER-UP

September 3rd, 2007 (Perth, Australia): WebSpy (ASX: WSY) – WEBSPY ISA SERVER SUITE VOTED ISASERVER.ORG READERS' CHOICE AWARD WINNER – FIRST RUNNER-UP. Leading ISA Server resource site, ISAserver.org, announced today that WebSpy ISA Server Suite was selected first runner-up in the reporting category of the ISAserver.org Readers' Choice Awards.

"Our Readers' Choice Awards give visitors to our site the opportunity to vote for the products they view as the very best in their respective category," said Sean Buttigieg, ISAserver.org manager. "ISAserver.org users are specialists in their field who encounter various solutions for ISA Server at the workplace. The award serves as a mark of excellence, providing the ultimate recognition from peers within the industry."

ISAserver.org conducts bi-monthly polls to discover which product is preferred by ISA Server administrators in a particular category of third party solutions for Microsoft ISA Server. The awards draw a huge response per category and are based entirely on the visitors' votes. ISAserver.org users can submit their votes for the current Readers' Award poll in the site's left-hand bar.

About WebSpy ISA Server Suite

Consisting of Microsoft® ISA Server 2006, and WebSpy Analyzer, the WebSpy ISA Server Suite is a turnkey solution for your Internet Security and management requirements. Internet Security and Acceleration (ISA) Server 2006 is the integrated edge security gateway that helps protect IT environments from Internet-based threats while providing users with fast and secure remote access to applications and data. Providing powerful Internet analysis and reporting, WebSpy Analyzer is the perfect complement to ISA Server. Import the log files generated by ISA server to quickly and easily analyze the Internet activity of your organization

About ISAserver.org

ISAserver.org (<http://www.isaserver.org>) is a Microsoft ISA Server 2006/2004/2000 resource site. It is the leading ISA server site, attracting over 170,000 ISA administrators and specialists a month.
